### Xavier de Rosnay & Gaspard Augé

24px

Xavier De Ronsay and Gaspard Augé had a few mutual friends, who happened to run a record label, seeking tracks for a compilation. With an immediate connection, the pair decided to try their hand at making a song. That's when they created their breakout single, We Are Your Friends – a feel-good, funk-filled, instant anthem that lost the remix contest, but won the attention of Pedro Winter, director of the newly founded Ed Banger Records, who boasted Daft Punk as former clients. One week later, they were in his office, signing a record deal.

They BLEW the ROOF off at their last show, once everyone started figuring out they were going. This is still simply the greatest opening of a concert I have EVER witnessed.

Every time I see him shred I feel so motivated to get off my couch and hop on my board. He's so talented! I wish I can ride like him one day so I can really enjoy myself!

Theodore Duncan 11/15/2018

How can someone be so good!!! You can tell he lives for this and loves to do it every day. Everytime I see him I feel instantly happy! He's definitely my favorite ever!
